

## 1. Bologna – Modular system

### PUSZMAN Sp. z o.o.

The Bologna modular system is a proposal for interiors where orderly form, comfort and freedom of arrangement are important. It consists of upholstered elements and tables that can be freely combined to suit your space and lifestyle. The furniture is available in natural leather or a combination of leather and fabric. Leather trims emphasise the lines of the furniture, and chrome-plated steel legs give it a light feel. Comfort is provided by HR foam seats with wave springs.

## 2. Electric Bed Concept

### Lenart Meble

Electric Bed Concept is a modern electric wall bed with the proprietary SLC – Save Lift Control system, which turns the living area into a comfortable bedroom with one click. Controlled by remote control or app, equipped with intelligent safety systems, a new integrated headrest and optional LED lighting. Available with a straight or corner sofa and in many colour variants. An innovative, modular solution for contemporary interiors.

### 3. GREGOR – 2.5 sofa with Alpha daily sleeping function

#### STELLA SP. z o.o. GROUPE POLDEM

The Gregor sofa is a balanced combination of modern aesthetics and timeless elegance. The model is equipped with headrests adjustable in two planes, which significantly increases the comfort of everyday use. An additional advantage is the highly comfortable Alpha sleeping function designed for everyday use. The calm, harmonious shape of Gregor has been enriched with refined details that give it a certain lightness and subtle dynamics.

### 4. Campi Collection

#### KATMANDU Sp. z o.o.

Clean lines, careful finishing and the nobility of solid oak – this is the basis of the original Campi collection designed by Maria Pietrzak. Minimalistic, yet functional, it will work well in large, open spaces and intimate interiors. The collection includes shelves, console tables, mirrors, tables, a dressing table, and shoe cabinets. Available in colours: natural oak and expressive tobacco.

### 5. Lava – Lamp Collection

#### TK Tomasz Krywult

LAVA is a collection of lamps inspired by nature enclosed in glass. Irregular shades made of smoked glass, referring to the shapes of solidified lava, softly diffuse the light and create a subtle play of shadows. Slender metal structures in Brown and Sabia finishes emphasise the individual character of each lampshade. The collection includes single and multi-light models, as well as ceiling, wall and floor lamps for residential and commercial interiors.

## 7. PRADO XL – Modern modular corner sofa

### Fabryka Mebli WERSAL Z.B.Ł. Kaczorowscy Sp. k.

Prado XL is a modern modular corner sofa from the PRADO system, combining elegance with advanced functionality. Sliding and adjustable backrests allow you to increase the seat depth by 15 cm, providing exceptional comfort. The optional electrically extendable footrest and stylish stitching emphasise the luxurious character of the piece of furniture. Also available in L and S variants.

## 8. SORA – Corner sofa with wide two-seater electric ZeroGravity type Relax feature

### STELLA Sp. z o.o. GROUPE POLDEM

Sora combines simple design with uninhibited comfort. The pure form, expressed by rounded headrests and a slim armrest, makes this model a perfect fit for any interior. Delicately accentuated stitching adds variety to the shape, emphasising its elegance and timeless character. The Sora model features a Zero Gravity recliner function that allows you to optimally position your body with your legs raised and your spine relieved, ensuring maximum comfort, better circulation and deeper relaxation.

## 9. UniLine Modular system

### LAYMAN Sp. z o.o. Sp. k.

The uniLine system is furniture that perfectly combines the kitchen, living room and bathroom into one unit. Thanks to uniform colours and design, the open-space living area looks coherent and harmonious. Using the same materials and decor in every room eliminates visual clutter. The uniLine system is a simple way to create an elegant, organised interior in which all elements fit together perfectly, creating a uniform style throughout the house.

## 10. WINDY – Modular collection

### WAJNERT MEBLE Sp. z o.o.

Windy is a modular collection where technology meets design. Its modern character combines functionality, comfort and aesthetics, making it a perfect fit for contemporary interiors. The Windy collection is designed to fit your lifestyle. Thanks to the modular structure, you can create your own arrangements tailored to the space – from smaller sofas to large corner sofas with a relaxation function. You can combine, expand and modify each element depending on your needs. This is the perfect solution for people who value flexibility and want to design their living room their way – without compromising style and comfort.
