

### 1. Passive VHF/UHF TV antenna

#### DPM SOLID LIMITED / Polish Chamber of Digital Radiodiffusion

External TV antenna for receiving DVB-T/DVB-T2 terrestrial television in VHF/UHF bands, from all available multiplexes. Passive antenna, equipped with a balun and LTE filter, blocking interference from the LTE band. Light and durable aluminium structure, resistant to weather conditions. Easy and fast installation without tools. Possibility to set the antenna in vertical and horizontal polarisation. Advantages: signal reception from VHF and UHF bands, LTE filter, mounting bracket included, lightweight aluminium design, simple installation without tools, vertical horizontal polarisation.

### 2. Polsat box 4K, Polsat box 4K lite

#### InterPhone Service Sp. z o.o. / Cyfrowy Polsat S.A.

The Polsat box 4K line includes modern set-top boxes with an intuitive menu that allow you to watch channels also in 4K quality, both via satellite and via the Internet. The set-top boxes feature a Wi-Fi module, a unique DUO function (which allows the user to decide whether to connect a set-top box to satellite or cable IPTV) and the Polsat Box Go application with an extensive library of VOD materials. The set-top boxes are operated with a Bluetooth remote control. The line includes: polsat box 4K and polsat box 4K lite set-top boxes.

### 3. TVP WORLD

#### TVP S.A. / Polish Chamber of Digital Radiodiffusion

TVP World is the newest channel of Telewizja Polska broadcast in English. It was launched in November 2021. Its task is to combat disinformation and fake news, which is especially important during the information war waged by the Russian Federation. The channel's mission is also to educate and popularise Eastern European topics – from news, through history, technology to culture and business. Information materials are published there 24 hours a day, seven days a week. Most importantly, they will be available to viewers all over the world – all of them will be published on the [tvpworld.com](http://tvpworld.com) website, satellite TV and TVP Info channel.
